

2020 FWD Gut N Go Rules

Any front wheel drive that is 1980 and newer except HYBRIDS, CROSS OVERS, OR SUV VEHICLE LIKE A PT CRUISER, HHR, HONDA PILOT, AND SO ON...No full frame cars or full size cars.

Only 50% of your car may be black. NO ALL BLACK CARS!!!!

1. Strip all flammable materials from car. Dash may stay in car
2. Gas Tank may be left in factory position as long as it is mounted in front of rear axle, please check factory straps for security. Prefer you leave factory gas tank under vehicle. Gas tank may be moved to back seat area. If mounted to cage must be a minimum of a 4-inch gap to any surrounding sheet metal. Must be SECURELY mounted & covered. Absolutely NO Milk crates to hold down batteries or gas cans!!! No bungee cords as tie downs!! Safety first!!
3. Electrical fuel pump (On/Off) switch must be clearly marked.
4. Driver's door must be painted white & may be wired, chained or welded solid and/or may have a steel driver's door skin securely fastened. All other doors welded (3 spots on vertical door seam, 3" square plates), or chained or wired in 3 spots only. You MUST have a mandatory door plate if you do not have a cage. Door plate must be bolted or welded on securely, no more than 6" past door seams. You may wire top of doors. One spot per door/window 3 wraps max.
5. Trunk lid, hatch, gate & hood may be wired shut in 6 places. 2 spots only on front of hood and not in front of radiator. No wiring to pillars or top of car. 10" hole in hood and trunk for inspection. Creasing rear quarter panels allowed.
6. Tires must be DOT. May run mud and snow tires as long as they are DOT. Radial or Bias ply ok. Factory wheels only with no modifications.
7. Must run factory drive line
8. Bumpers: Factory car bumper or you can change bumper to any 1992 and newer stock automobile CAR bumper, they must bolt on in factory location. You may wire bumper to frame in 2 places. No homemade, loaded or Chrysler pointy bumpers allowed. No seam welded bumpers. You may weld a plate to the bumper as long as the plate bolts to frame of car. Bumper may be no wider than the width of front tires. NO shortening of frame to mount bumpers. Do not alter factory frames.
9. Cage: 4 bar floating cage allowed around driver's compartment. No bigger than 4" x 4" square tube. Side bars no farther back than 6" behind driver's seat. No down legs. Roll over bar may extend off of halo cage. If you don't have a cage, then a door plate/bar is mandatory.

10. Factory suspension, no changes allowed, MUST bounce!
11. Front windshield must have bar, chain or wire to prevent hood from entering driver's area. From windshield to firewall/dash cowl only.
12. Battery must be moved to front floorboard area securely mounted and covered. One battery only.
13. Completely remove air bag assembly. No paint or spray foam allowed on frame.
14. Absolutely no spray foam around radiator or on car.

If rules don't say you can then you can't. This is a beginner class intended for fun. Doing more to your car will be subject to disqualification. Inspector's decisions are final.
